Order GEN cards and mats!

We will be printing a bulk order of GEN cards: a tool for play, reflection, dialogue, learning, research and design: four dimensions of sustainability arranged around one central path. The four dimensions are ecology, economy, culture and society. It also contains a booklet with inspiration and instructions for some ways of using the cards.

If you are interested, GEN Europe will order and print them for you. They will then be ready for you to collect at the National Networks meeting at Sieben Linden in December.

Please fill in this form by the 18th of November. We will then contact you to complete the payment until November 30th. This will ensure that we can print your cards and/or mats in time for you to collect them.

As we will be sending all orders together to the printers, the more of you order, the lower the price will be. The following prices include the printing costs on thick paper in A5 format and a £5 (5.8€) donation to GEN International for each set.

The following items can be ordered:

1) Ecovillage design cards in English with UN Sustainable Development Goals + instructions
2) Kid's version + instructions
3) Mandala Mat

Prices (includes printing, transport costs and donation to GEN international)

From 10 orders in total - 13,66€ per card set and 75,64€ per mat
